Introduction

From the Admin Panel > Configuration > Newsdesk Configuration Options section you can configure your Newsdesk displaying settings.

Updating Articles Per Page

1. From the Admin Panel click the **Configuration** link and select the **Newsdesk Configuration Options** item.

Configuration	Display Reviews
My Store	Display Main News Items
Minimum Values	Page Links
Maximum Values	Latest News Box Counts
Images	Display Latest News Box
Customer Details	Display News Catagory Box
Shipping/Packaging	Display Content
Product Listing	Display View Counts
Stock	Display Read More
Logging	Display Summary
Cache	Display Headline
E-Mail Options	Display Date
Download	Display Image 1
GZip Compression	Display Image 2
Sessions	Display Image 3
Affiliate Program	Location of Prev/Next Navigation Bar
Site Maintenance	Display Main Sticky News Items?
Links	
Newsdesk Sticky Settings	
Newsdesk configuration options	
Faqdesk Listing	

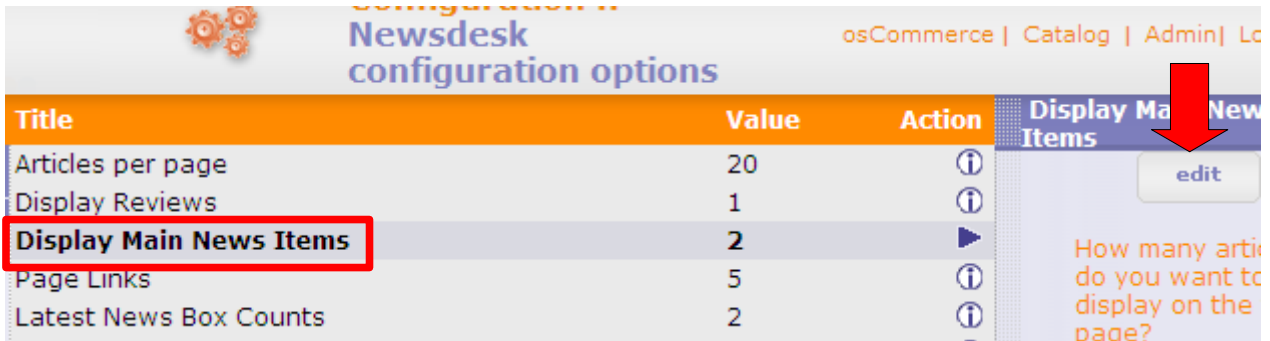

2. Since the **Articles per page** item is highlighted in the list, click the **Edit** button.

Title	Value	Action	Articles per page
Articles per page	20	▶	edit
Display Reviews	1	ⓘ	
Display Main News Items	3	ⓘ	How many arti do you want to list?
Page Links	5	ⓘ	
Latest News Box Counts	2	ⓘ	
Display Latest News Box	1	ⓘ	Date Added:

3. In the field, specify the number of articles you want to list per page in the frontend.
4. Click the **Update** button.

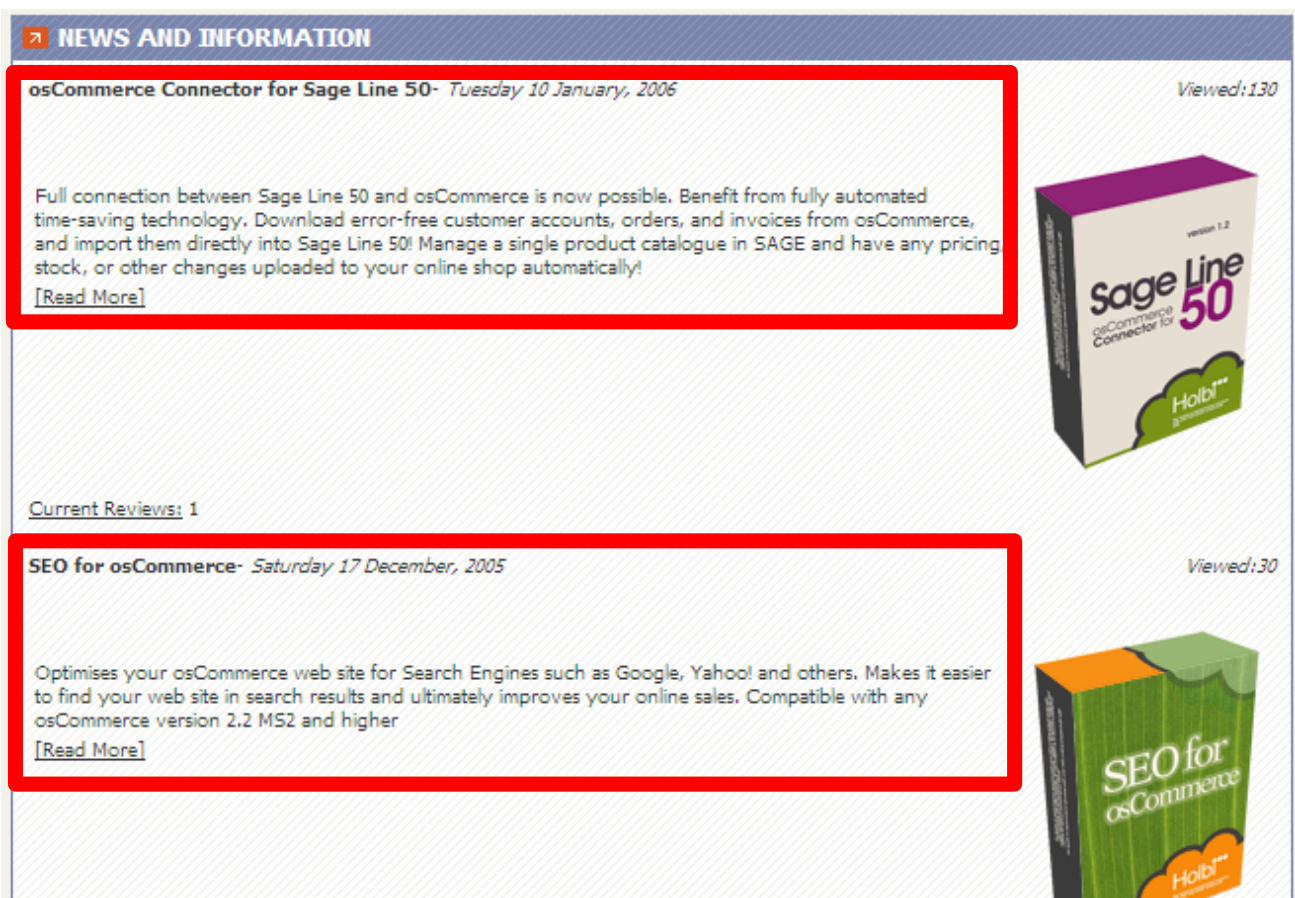

Updating Display Main News Items

1. From the Admin Panel click the **Configuration** link and select the **Newsdesk Configuration Options** item.
2. Select the **Display Main News Items** in the list and click the **Edit** button.

Title	Value	Action	Display Main News Items
Articles per page	20	(i)	<input type="button" value="edit"/> <p>How many articles do you want to display on the page?</p>
Display Reviews	1	(i)	
Display Main News Items	2	▶	
Page Links	5	(i)	
Latest News Box Counts	2	(i)	

3. In the field, specify the number of articles to display on the front page. For example, specify 2 in the field. Then, open the web-store frontend and scroll down the page. Two articles are displayed in the **News And Information** box:

NEWS AND INFORMATION

osCommerce Connector for Sage Line 50 Reviews

No.	Author	Rating	Read	Date Added
01.	Alex Berger		6	06/26/2006

- Specify **0** in the field to hide the News Reviews panel on the Newsdesk page.
4. Click the **Update** button.

Updating Page Links

1. From the Admin Panel click the **Configuration** link and select the **Newsdesk Configuration Options** item.
2. Select the **Page Links** item in the list and click the **Edit** button.

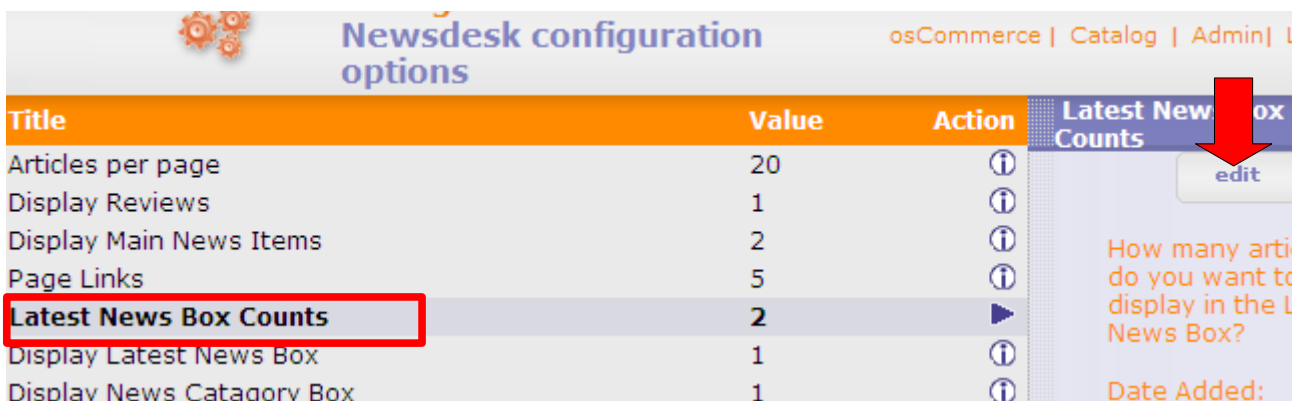

Title	Value	Action	Page Links
Articles per page	20	(i)	edit
Display Reviews	1	(i)	
Display Main News Items	2	(i)	Number of links to use for page-sets
Page Links	5	(▶)	
Latest News Box Counts	2	(i)	Date Added: 02/16/2003
Display Latest News Box	1	(i)	

3. In the field, specify the number of links to use for page-sets. This feature allows displaying articles in a few page-sets. For example, you have 20 articles in your database. Specify 5 in the field, and click the **Update** button. The system will create 5 page-sets displaying 4 articles per page. Using the **Prev/Next** Navigation Bar you can open the next/previous page.
