Introduction

From the Admin Panel > Configuration > NewsDesk Sticky Settings you can set up listing features of Sticky News used in your web-store.

Updating Display Headline

1. From the Admin Panel click the **Configuration** link and select the **Newsdesk Sticky Settings** item.

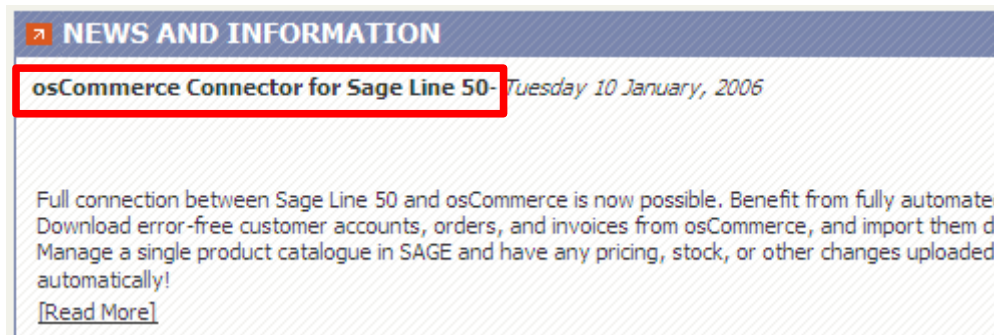

2. Since the **Display Headline** item is highlighted in the list, click the **Edit** button.

Title	Value	Action	Display Headline
Display Headline	1		edit
Display Summary	1		
Display Content	1		
Display View Counts	1		

A red arrow points to the 'edit' button in the 'Display Headline' row. A dialog box is partially visible on the right side of the table, containing the text 'Do you want to display the headline?'.

- Specify **1** in the field to display the sticky news headline in the **News And Information** box.

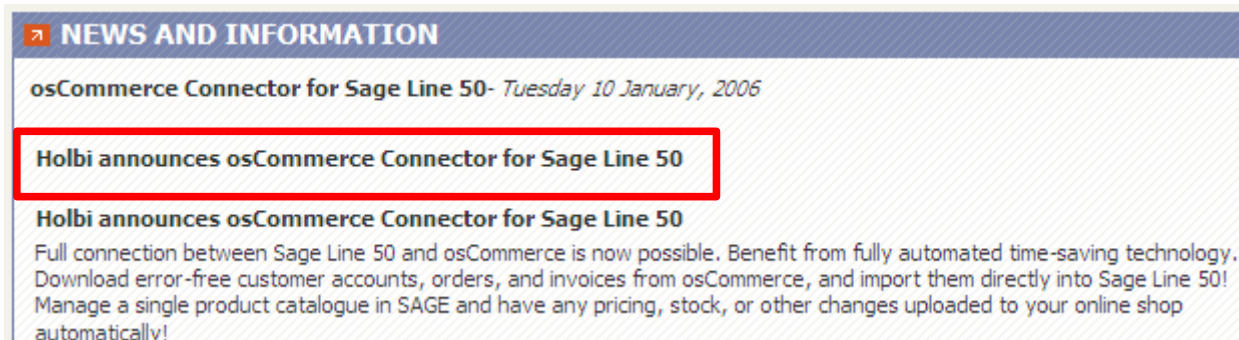

- Specify **0** in the field to hide the sticky news headline in the **News And Information** box.
- Click the **Update** button.

Updating Display Summary

- From the Admin Panel click the **Configuration** link and select the **Newsdesk Sticky Settings** item.
- Select the **Display Summary** item in the list and click the **Edit** button.

Configuration :: Newsdesk Sticky Settings		
Title	Value	Action
Display Headline	1	
Display Summary	1	
Display Content	1	
Display View Counts	1	
Display Read More	1	
Display Date	1	

- Specify **1** in the field to display the sticky news summary in the **News And Information** box.

- Specify *0* in the field to hide the sticky news summary in the **News And Information** box.
3. Click the **Update** button.

Updating Display Content

1. From the Admin Panel click the **Configuration** link and select the **Newsdesk Sticky Settings** item.
2. Select the **Display Content** item in the list and click the **Edit** button.

Configuration :: Newsdesk Sticky Settings		
Title	Value	Action
