Introduction

The Shipping/Packaging module allows you to setup values for weight that are used by the shipping modules.

Updating Country of Origin

1. Go to the Admin Panel and click the **Configuration** link.

2. Select the **Shipping/Packaging** item.

Configuration	Postal Code	94558
My Store	Enter the Maximum Package Weight you will ship	50
Minimum Values	Package Tare weight	0.5
Maximum Values	Larger packages - percentage increase	0
Images	Shipping Estimator	true
Customer Details		
Shipping/Packaging		
Product Listing		

3. Since the **Country of Origin** item is highlighted, click the **Edit** button on the right.

The screenshot shows the 'Configuration :: Shipping/Packaging' page. The page title is 'Configuration :: Shipping/Packaging' and the breadcrumb is 'osCommerce | Catalog | Admin | Location'. The table below shows the configuration items. The 'Country of Origin' item is highlighted with a red box, and a red arrow points to the 'edit' button next to it.

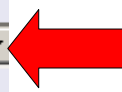

Title	Value	Action	Country of Origin
Country of Origin	United States	▶	edit
Postal Code	94558	ⓘ	
Enter the Maximum Package Weight you will ship	50	ⓘ	
Package Tare weight	0.5	ⓘ	
Larger packages - percentage increase	0	ⓘ	
Shipping Estimator	true	ⓘ	

Select the country of origin to be used in shipping quotes.

- From the drop-down list select a country of origin to be used in the shipping quotes.

Country of Origin
Select the country of origin to be used in shipping quotes.

United States

- Click the **Update** button.

Updating Postal Code

- From the Admin Panel click the **Configuration** link and select the **Shipping/Packaging** item.
- Select the **Postal Code** item in the list and click the **Edit** button on the right.

Configuration :: Shipping/Packaging				osCommerce Catalog Admin Log
Title	Value	Action	Postal Co	
Country of Origin	United States

Shipping Estimator	true		in shipping qu	

- In the field, specify a postal code (zip) of the store to be used in shipping quotes.
- Click the **Update** button.

Updating Maximum Package Weight

- From the Admin Panel click the **Configuration** link and select the **Shipping/Packaging** item.
- Highlight the **Enter the Maximum Package Weight you will ship** item in the list and click the **Edit** button on the right.

Title	Value	Action
Country of Origin	United States	
Postal Code	94558	
Enter the Maximum Package Weight you will ship	50	
Package Tare weight	0.5	
Larger packages - percentage increase	0	
Shipping Estimator	true	

- The carriers have a maximum weight limit for a single package. In the field, specify the maximum package weight for shipping which is common for all.

Enter the Maximum Package Weight you will ship
 Carriers have a max weight limit for a single package. This is a common one for all.

- Click the **Update** button.

Updating Package Tare Weight

- From the Admin Panel click the **Configuration** link and select the **Shipping/Packaging** item.
- Select the **Package Tare Weight** item in the list and click the **Edit** button on the right.

Title	Value	Action	Package Tare weight
Country of Origin	United States		
Postal Code	94558		
Enter the Maximum Package Weight you will ship	50		
Package Tare weight	0.5		
Larger packages - percentage increase	0		
Shipping Estimator	true		

- In the field, specify the typical weight of small to medium packages. This is the weight of your shipping box and packing material. ("Tare" comes from Arabic for "throw-away".) This overhead weight is added to the weight of the products when computing postage. For example, specify 0.5 in the field. If your country of origin is UK, the tare weight of small to medium packages will be 0.5 pounds, if your country of origin is Germany – 0.5 kilograms, etc.

Package Tare weight
What is the weight of typical packaging of small to medium packages?

- Click the **Update** button.

Updating Large Packages - Percentage Increase

- From the Admin Panel click the **Configuration** link and select the **Shipping/Packaging** item.
- Select the **Large packages – percentage increase** item in the list and click the **Edit** button on the right.

Shipping / Packaging			
Title	Value	Action	
Country of Origin	United States	ⓘ	Larger package percentage increase <input type="button" value="edit"/> For 10% enter Date Added: 07/17/2009
Postal Code	94558	ⓘ	
Enter the Maximum Package Weight you will ship	50	ⓘ	
Package Tare weight	0.5	ⓘ	
Larger packages - percentage increase	0	▶	
Shipping Estimator	true	ⓘ	

- In the field, specify a number of percentage increase. This is the minimum portion of packing material for a large order. For example, setting this to 10 means packing of the large order will increase its weight by 10%.

For 10% enter 10

- Click the **Update** button.

Updating Shipping Estimator

1. From the Admin Panel click the **Configuration** link and select the **Shipping/Packaging** item.
2. Select the **Shipping Estimator** item in the list and click the **Edit** button on the right.
